The EKC Board of Directors has selected the following members to serve on the Dog Evaluation Panel and all have agreed to participate.

Andrea Bubna  
Patti Herhold  
Esther Kostelnik  
Bonnie Kotyuk  
Janet Norman  
Jeanne Stiner

When an owner requests reinstatement for a dog that has been disqualified, the board will select three members of the panel to consider reinstatement. The selection will be based on availability and consent to participate in the specific evaluation.

The three (3) member panel shall review the request and supporting documents to determine if the dog is suitable for consideration and then perform necessary hands-on evaluation of the dog. The panel will communicate directly with the handler to schedule evaluations. Within 72 hours of the last hands-on evaluation, the panel will make their written recommendations to the Board of Directors. The Secretary shall inform the handler of the decision in writing.
